STARTING YOUR SUBSCRIPTION

Now your credit card is on file and you can make your subscription selection. Your screen should look like this:

Now you can select DryLINK Asset Manager by sliding the white circle to the right. You will be billed at the first of the month and the first month is prorated. Your subscription charges will begin 60 days after you start your trial.
To cancel your subscription, slide the white circle back to the left.

Your pricing is based on the number of assets in DryLINK, tagged or untagged. Only import assets that you want to tag for asset tracking.

The monthly subscription pricing is as follows:

ASSETS
0-999: $99 per month

1,000–4,999: $199 per month

5,000–9,999: $379 per month

10,000+: Call for pricing

GATEWAYS
1-14: $20 per month/per gateway

15+: $18 per month/per gateway

The total of the monthly asset charge plus the monthly gateway charge will be your monthly charge.
